Tuning: EADGBE

3/4 time

Capo 3

[Verse 1]

Oh give me Mahomes down in the Superdome
where we'll cheer for an Andy Reid play
Where Kelce fights hard for every yard
and it's "Touchdown, Kansas City!" all day

[Chorus]

Mahomes Mahomes on the range
where we'll cheer for an Andy Reid play
where Kelce fights hard for every yard
and it's "Touchdown, Kansas City!" all day

[Verse 2]

Oh give me a break 'bout the refs on the take
have you seen the schemes Spags calls?
Chris Jones disrupts while our defense erupts
As they make another drive stall

[Chorus]

Mahomes Mahomes on the range
where we'll cheer for an Andy Reid play
where Kelce plays hard (and dates a pop star)
and it's "Touchdown, Kansas City!" all day

[Verse 3]

When I was a kid we drafted Blackledge
in that class of QBs of '83
Super Bowl 4 was most of our lore
but we'll always love our Chiefs

[Chorus]

Mahomes Mahomes on the range
where we'll cheer for an Andy Reid play
where Kelce fights hard for every yard
and it's "Touchdown, Kansas City!" all day

[Verse 4]

Oh we love our o-line buying Sir Pat the time
making holes for Kareem, Pacheco
for without them up front we're not in the hunt
for this dynasty of THREE IN A ROW!

[Chorus]

Mahomes Mahomes on the range
where we'll cheer for an Andy Reid play
where Kelce fights hard for every yard
and it's "Touchdown, Kansas City!" all day
Where it's "TOUCHDOWN, KANSAS CITY!" all day
